MassDEP/EPA Coordination Meeting

Monday, September 11, 2017

EPA – Mt. Katahdin, First Floor

11:00-12:30

- Status of DOT MS4 process: next steps (NB: DEP is to receive the draft before it goes to DOT). Note: MDOT has filed a Snow and Ice Control Plan Environmental Status and Planning Report with the state's MEPA office. I spoke with David Webster about this and we agree that this report should be considered in the overall DOT MS4 strategy.
- Upcoming DEP training/events (NB: they are listed on our group Calendar)
- Upcoming EP training/events:
- Status of RFP
